Dear Parents and Governors

Welcome Back!

Well, we're already nearly two weeks into the new school year, and it feels like we've never been away. Already there is lots happening and school seems like the bustling, busy place it should be. When Miss Appleby and I walk around the building and site, there are smiling children everywhere, already launching themselves into learning opportunities whenever they can.....it's good to be back!

A special welcome to all of our new families, either in Reception or in other years throughout school. You are all very welcome and I hope you soon feel settled as the newest members of the Four Oaks Family!

Governor Update

From time to time we like to raise parents' awareness of who our Governors really are. They do a fantastic job in the background of school life, and bring a wide variety of skills to the job of running the school. Below you can read all about our Chair of the Governing Body, Mrs Debbie Jones:

Hi, my name is Debbie Jones, I have been a Governor since 2019 and am currently the Chair of our Governing Body. A former teacher, I was a member of staff at Four Oaks from 2008 to 2015 and loved it! Primary School Science is my passion and while at Four Oaks, I was made a Fellow of the Primary Science Teaching Trust - it was the highlight of my teaching career!

Since retiring from the classroom, I have worked as an Independent Primary Science Consultant for both the PSTT and Edina Trust who give money to schools in eligible authorities for Science resources (sadly not Birmingham). Edina Trust has now left the Midlands so I have recently become fully retired.

I live locally with my husband Stephen and have two children: my daughter is a teacher in an international school in Nigeria, and my son is in the RAF and is currently based in Brunei. I have four grandchildren, aged from ten down to two, who I adore but don't see as often as I would like to at the moment - needless to say, I spoil them rotten when we do get to see them!

We have two large dogs - a Pointer and a Vizsla (the latter is on 'long term loan' while my son is overseas)! We walk them daily in Sutton Park so they keep us fairly fit! As for hobbies, I enjoy the theatre, gardening, cooking and sewing, and continue to take advantage of a wealth of Science CPD that I have access to which I subsequently share with staff at Four Oaks and other LTE schools.

In addition to my role as Chair, I am a member of the Safeguarding and Resources Committees, and am also the Link Governor for SEND and Science. I try to get into school on a regular basis to workshops, events and assemblies etc.; it's a great way to see the staff, and to meet pupils and parents - something which wouldn't otherwise happen easily for me.

As a Governing Body, we are critical friends to the school, liaise with the Senior Leadership Team and oversee the strategic business of the school. All volunteers, we share a wealth of skills to meet the needs of our roles and are all excited at the prospect of being part of the School Rebuilding Programme!

School Gates

When using the pedestrian gates either by the main vehicle entrance, or the gate at the bottom of the Russell Bank Road gully, please follow the instructions on the small screen and use the arrows to select either the Infant Office, the Junior Office, or Playgroup/FOSBACS, and someone will give you access to the school site. We would ask that once admitted to the site that parents do not let anyone else in behind them. If you are picking up from an after school club eg. Gym or Dodgeball please press the **Junior** buzzer.

The Russell Bank Road entrance is still padlocked during the school day as an extra safety measure, so the intercom system is only in place outside of school hours. Thank you for your co-operation in this.

Secondary School Open Days

Both Arthur Terry and King Edwards Lichfield have Open evenings arranged and parents can read further details of these events by reading the flyers attached to the end of this newsletter. If any other secondary schools send us their information we will communicate the details to parents as and when we can.

M&M Productions

On Monday of this week we invited M&M Productions into school for their traditional drama performance to Y4/Y5/Y6 at the start of the school year. This company have been visiting school for the last 15 years and the cost of this has always been covered by our wonderful PTA, so a huge thank you to them. The event is a great way to launch the Literacy work of our older children, and Year 6 even get a surprise look behind the scenes with a production workshop at the end of the afternoon. The children loved the performance of 'The Hobbit' and we have already booked a performance of 'Oliver Twist' for next September.

RAAC

Two weeks ago, we had a survey by the DfE to ascertain whether we had any RAAC (aerated concrete) on our site. I am happy to say that they did not find anything concerning in either of our main buildings. Having said that we are awaiting another visit for further tests on the concrete in the Infant Boiler House and three small rooms at the rear of the kitchen. We have been flexible and have insisted upon limited access to these areas by staff, but I'm sure that we will soon be given the all clear and access will be back to normal.

Parents' Workshops

This week and next week will see all of our Parents' Workshops being staged. These events are a traditional feature of our first half-term in school and offer parents and carers the opportunity to come into school and learn lots of important facts about the work their children will be undertaking in their new year groups, with their new teachers. We hope that you find them informative sessions, and a useful way to support your child in their new exciting learning adventure.

School Improvement Plan Parental Input

During your parent workshop you will be given a SIP (school improvement plan) questionnaire to complete. This can be completed at home after the workshop and brought back into school. We really value the input of parents in improving our school and will always listen to suggestions of ways to do this. If you could take the time to complete these and send them back in by Friday 29th September, we will take the time to go through them and see if we can implement any suggestions. You only have to complete one per family, and it would be helpful to place your children's name on the form so we can communicate with you if we need to.

Cross-Country

Our first sporting event of the year resulted in fine efforts from our children. In the first cross-country race of the year, in monsoon conditions, with over 100 competitors in each race, we had a top ten finisher in both the boys and girls' event. A tremendous effort by all of our children. A big thank you to Mrs Rowberry and Mrs Goldspink for giving up their free time, at the end of a long day, to chaperone and coach the children!

Tennis Success

A huge well done to Esme in Year 5 for her wonderful tennis news! She has been selected as one of the players to attend the Warwickshire County Cup Training Squad for the under 10s. Esme was one of our Birmingham champions in the Summer, so it is wonderful to see her continuing her tennis success. Well done Esme 😊

Y3 Visit to the Gurdwara

We look forward to our Year 3 pupils getting ready for their first educational trip of the year when they visit the Gurdwara on September 26th. I'm sure they will have an enlightening time and the visit will really enrich their RE curriculum.

Extra Curricular Activities

Attached to the newsletter is our list of extra curricular activities. Please look under the pupil tab on our website for further information and a link for Premier Sports as well as email details for music lessons.

'World No Car Day'

Friday 22nd September will be 'World No Car Day', and we have been asked by the Local Authority to promote the idea that we should all attempt to make our normal journeys on that day without using our cars. In support of this we will be asking as many of our members of staff as possible to travel to school using public transport, or by cycling or walking, or by collaborating with each other in car shares. Therefore, we would ask our parent community to do just the same thing. It would be lovely to stand on the school gate and notice a real reduction in vehicle traffic on that day. Not only will it give our pupils an opportunity to get extra exercise, it will also reduce the pollution levels near to our school. Unfortunately although we have received some funding for some new bike and scooter racks these will not be in place at this time. Could we therefore ask you to take home any bikes or scooters and bring them back at the end of the day. We hope that all parents support us in this important venture!

New House Captains

A huge well done to our 12 new House Officials from Year 6. These children have put themselves forwards and have been chosen in recognition of their qualities in being exemplary ambassadors for our school.

Longmoor - Max, Keira, Christina

Bracebridge - Mia, Isabel B, William H

Blackroot - Libby, Zachary Khadijah

Wyndley - Julia, Sonny, Elise

Inevitably there are never enough House Official positions for all pupils who wish to take on the role, but there are still plenty of other very important jobs to give out to our other Year 6 pupils. Along with the Year 6 staff, Miss Appleby and I get the feeling our new Year 6 are going to be a highly reliable group, and will be excellent role models for the rest of the children in school!

School Packed Lunches for Trips

As parents are aware we asked you to fill in a form last year ordering the same packed lunch for all school trips for your child. This worked very well and we are going to roll over those forms to this year. Should your child have any changes that need to be made to their choice can you please pop in to either the Infant or Junior office and complete a new form. Reception parents will be receiving a letter to complete in the near future.

Back to School - Free Online Parenting Courses for Parents and Carers

As children and young people prepare to return to school, we are sending a reminder of [FREE online courses](#) available to everyone in Birmingham to help to support with parenting.

There are **24 different online courses** in a variety of languages. The courses include:

Rags 2 Riches Clothing Collection-Bag Drop Off Day Tuesday 3rd October (7:30am-6pm)

A popular fundraiser at no cost to you. Please bring your filled bags labelled 'FOPS' containing unwanted quality clothing and accessories to the JUNIOR outdoor classroom anytime from 7:30am-6pm on Tuesday 3rd October. If you're not sure what is accepted- visit <https://rags2riches4schools.co.uk/what-we-collect/>. As a rule, if you wouldn't pass it on to a friend, it's not suitable. Please remember- no uniform of any kind.

Murder Mystery Evening - Adult Event- New for 2023! - Friday 6th October, 7pm.

Join us for a night of murder mystery entertainment with a Peaky Blinders Theme! Be greeted by professional actors in character, watch the scenes unfold and review the evidence provided by the detective to try to solve this murderous conundrum! Enjoy the relaxed atmosphere with delicious food, freshly prepared and served by 'The Spice Is Right Street Food' and your favourite drinks from our bar. This will be a great night out with friends, both old and new. Entertainment on your doorstep, for just £25. You'll also be raising essential funds to benefit your child's learning experiences in school! No need to organise groups for tables- just get your tickets and turn up! Feel free to invite friends (this event is not restricted to FOPS parents).

As well as the usual bar service, you can pre order drinks at a discounted rate! Collect your chilled order on arrival, served in an ice bucket.

See you there! 7pm. For tickets, visit <https://www.pta-events.co.uk/four-oaks-primary/>

See attached flyer for all the details.

PTA—AGM 16th September

On Monday 16th September the PTA will be having their Annual General Meeting at 8pm at Streetly Tennis Club and any parent is welcome to go along and get involved in having fun whilst raising funds for all of our children.

Snack Reminder

May we remind parents that any snacks that they send in to school should be healthy. Please do not send in crisps or chocolate with your child. Can you also please ensure that any snack is nut free as we have a number of children who have severe nut allergies.

Thank you for your co-operation.

Diary Dates

We have attached a list of diary dates for the whole year to this newsletter. These can also be found on our website and will be updated on a regular basis.

ICT Tip of the Week

- *If you want to report someone who is behaving suspiciously online towards a child, you should contact 999 if it's an emergency situation, or otherwise make a report to [CEOP](#), the Child Exploitation Online Protection Centre.*
- *If you see any criminal content online, you should report this to the [Internet Watch Foundation \(IWF\)](#).*
- *Online content which incites hatred on the grounds of race, religion, disability and sexual orientation or transgender identity, should be reported to True Vision, which tackles all forms of hate crime. True Vision will give you information on content which indicates hatred and how to report it.*

If you have any queries regarding any of the above please do not hesitate to contact me.
Yours sincerely

September 2023

Dear Parent/Carer,

Arthur Terry School Open Evening – Thursday 28th September 2023 – prospective Year 7 & Year 12

Choosing the right secondary school for your child is such an important decision. You will want a school that has high academic standards, outstanding teaching and a positive climate for learning. We are so fortunate in having outstanding partner primary schools, so it is important that your child continues to flourish in the next stage of their education.

Exam Results

Our results stand as a testament to the commitment, tenacity, and diligence shown by our exceptional students. The legacy of Covid closures should not be forgotten and despite these unprecedented challenges, our students have confronted these hurdles head-on, showcasing exceptional resilience while surpassing our expectations. We are delighted that many Year 11 students will be returning to our 'Outstanding' Sixth Form as they embark on their A Level journey next year.

However, results, although important, are not the only driver for the success of a school. You will want your child to be loved, cared for, listened to, nurtured, and developed, leaving school with the confidence and self-belief to make a real contribution to society. The Arthur Terry School is an inclusive and nurturing learning community that gives everyone the opportunity to excel and a place to belong.

We are holding our Open Evening on Thursday September 28th from 6.00 pm – 8.00 pm when you will be able to visit the school, see classrooms on display and meet students and staff. Entry to the speeches will be on a first come, first served basis but we will endeavour to accommodate as many visitors as possible.

Car parking space at school is always limited at these events, therefore please walk, or use public transport wherever possible. As a courtesy to our local residents please do not park on the surrounding streets.

We look forward to welcoming you and sharing our school with you. Educating our young people is a privilege and we hope you will see how seriously we take this responsibility.

Yours faithfully,

Samantha Kibble
Associate Headteacher

Year 7 Open Evening King Edward VI School Lichfield

Wednesday 27th September 2023 5.30pm-7.30pm

We are pleased to confirm that our Open Evening for admission to Year 7 in 2024 will take place on Wednesday 27th September 5.30pm - 7.30pm.

We are also opening the school to visitors from 5.30pm - 7.30pm. Visitors will be able to walk around key areas of the school site, meet departments and talk to current students and staff.

Entry to the presentation in the hall is by ticket only to ensure that we have seats for everyone. You can book a timed entry via the link on our website one week before the event via www.keslichfield.org.uk. There will be presentations at 5.30pm, 6.30pm and 7.15pm. If you do not attend one of the presentations then you are still free to visit the school between 5.30 and 7.30pm. Senior staff will also be available to answer questions and there will be plenty of informal opportunities to speak to staff and students.

Children who are in Year 6 are most welcome to visit with their parents or carers. There is limited parking on site so we recommend that people who live locally walk if possible. There is a separate Open Evening on Wednesday 10th July 2024 for Year 5 students.

Students and parents will also be able to access key information about the school and departments via the link on our school website www.keslichfield.org.uk. This includes video presentations from the headteacher, senior staff, departments and students. This is information made available last year and we recognise that some families may prefer to access materials online.
